Danish quality beef!

The meat for our beef patties comes from Kildegaarden close to Mariager Fjord. Gitte and Erik Skovsgaard live at Kildegaarden. From here they farm a large herd of beef cattle, which have now become the true passion in their daily lives at the farm.

Gitte and Erik's basic attitude is:
"You can taste in the meat, how the animals had it growing up."

Beautiful and refreshing white wine with beautiful clear color. Delicate and fresh aroma as well as a well-balanced, delicious and authentic fruit flavor with a hint of citrus. A wine of fine character.

Rosé • Cero

280,-

USA

Unlike many other non-alcoholic products, which are often high in sugar, Cero wines want to preserve the vinous portion to the greatest extent possible. Partly to ensure the wine experience, and partly to make a real alternative to wine on the table in any home. An elegant rose wine with a nice color, delicate fruit aroma and fresh, delicious and authentic taste.

Zinfandel • Cero

280,-

USA

The Cero wines are distilled at approx. 30 ° C. The good thing about this method is that the non-volatile components of the wine, e.g. minerals, acids, phenols, sugars and vitamins are preserved. Both the taste and the character of the wines are largely retained. Beautiful deep red color and delicate, fresh and slightly spicy aroma. Delicious and authentic fruit flavor with notes of plums as well as ripe black and red berries.
